### AHT BOSTON 210 SCOOPING FREEZER

If you want to give your customers a mouth watering display of all the best ice cream flavours but your budget is limited, then the Boston 210 may be the answer. The freezer displays 22 x 5 litre Napoli under a large curved double glazed glass canopy with easy access to the display through 2 large sliding doors to the rear.

Storage for extra stock is underneath the tub frames. The double glazed glass canopy is supplied pre-built. The unit also requires 2 x 13 amp plugs. One runs the refrigeration system and the other the internal light.

#### PRODUCT FEATURES

- Static Cooling
- Sliding Rear Doors
- Rear Temperature Display
- Interior LED Light
- Supplied on Castors

## TEFCOLD IC-SCE RANGE SCOOPING FREEZER

The Tefcold IC-SCE + canopy range is an ideal way to add scooping ice cream sales to your business even if you are on an budget. This is one of our most popular ranges. A curved glass canopy with an attractive sloping display for scooping tubs means your customers get a good view of the ice cream in the unit. Flat glass sliding lids (with lock) allow access to the ice cream for serving and help insulate the unit when not in use.

There is plenty of storage underneath the tub frames for extra stock. The units come on sturdy castors for easy movement and to allow cleaning underneath. An excellent reliable unit. The range accepts plastic 5 litre napoli tubs (ones that fit inside 5ltr napoli pans). Stainless steel napoli pans are not required.

### PRODUCT FEATURES

- Static cooling
- Castors
- Lock
- Digital temperature display
- Angled sliding lids
- Sloping display for excellent presentation
- Defrost drain
- Fan assisted condenser
- Curved glass canopy
- Holds napoli size plastic tub that fits inside stainless napoli pans (stainless pans not required)
- Additional storage under display tubs
- Supplied on castors with brake

Call 01495 302 323

## STEP 2

Provide the freezer make and model along with full business delivery address.

## STEP 3

Once payment is received we can order your freezer and provide a delivery date.

## STEP 4

All Free stock and point of sale will be delivered after your freezer has been delivered.

## Freezer Purchase Terms & Conditions

All freezers come with 2 years parts and 1 years labour warranty except for AHT Boston 210. The AHT Boston 210 comes with 1 year parts and 1 year labour warranty. (Consequential loss is not covered by the product warranty. It is the responsibility of the end user to insure the contents of the freezer.)

Freezer orders are subject to AHT or Tefcold Refrigeration's terms and conditions of sale. Go to: [www.tefcold.com](http://www.tefcold.com) or [www.uk.aht.at](http://www.uk.aht.at)

Always plug your freezer into a single socket. Plugging a freezer into an extension cable running multiple units or a double socket running another unit can cause a voltage overload. This could result in electric trip out and loss of stock.

All orders are accepted with the customer agreeing to take on the responsibilities for the collection, treatment, recovery and environmentally sound disposal of the products ordered or existing product being replaced by these products, as required by the WEEE Regulations. The customer agrees to undertake any duties to report on these activities to the seller, the sellers compliance scheme or any official body as defined within the Regulations or its amendments. WEEE Regulations (SI2006/3289 The Waste Electrical Equipment Regulations 2006 as modified by any subsequent legislation).
